# WE BELIEVE

## IL NOSTRO MANIFESTO

Siamo un team di professionisti e designer e Caos creativo è il brand che abbiamo fortemente voluto. Un progetto di design che ha alle spalle l'esperienza progettuale di Rossi&Co. In ogni scelta che facciamo e in ogni prodotto che sviluppiamo ci sono cinque punti che ci tengono uniti e che formano il nostro manifesto per un design fatto di gioco, gentilezza e dettagli.

We are a team of professionals and designers and Caos creativo is the brand that we really wanted. A design project that has behind it the design experience of Rossi&Co. In every choice we make and in every product we develop there are five points that hold us together and form our manifesto for a design made up of play, kindness and detail.

## \_ DETAILS MATTER

I dettagli fanno la differenza. Si può anche scegliere un divano moderno o recuperare il mobile della nonna, quello che conta è valorizzarlo con una carta da parati su misura o con un tavolino di design. Per un arredo unico.

Details really do make a difference. You can even choose a modern sofa or salvage your grandma's old one, but what will really count is your ability to enhance it with custom wallpaper or with a designer coffee table. That's what will make your interior decor genuinely unique.

## \_ WE ARE BORN TO HAVE FUN

Il nostro brand è nato per esprimere la nostra creatività. Libertà progettuale, spensieratezza, piacevolezza, creatività: sono queste le parole fondanti di Caos creativo. Siamo nati per divertirvi.

Our brand was born to express our creativity. Design freedom, a carefree spirit, amiability and creativity: these are the concepts Caos creativo is cemented on. We were born to have fun.

## \_ BE NICE AND BE KIND

In questo punto c'è il nostro modo speciale di fare le cose: con gentilezza. Siamo un team che nel servizio di consulenza e assistenza ha trovato la sua forza. Vogliamo che chi sceglie i nostri prodotti si senta sempre accolto.

This point explains our particular way of doing things, i.e. kindly. Our team bases its strength on our consultancy and assistance service. We want everyone who chooses our products to feel really welcome.

## \_ HUMAN FIRST

Dietro Caos creativo ci sono delle persone che progettano e creano per altre persone, con la direzione artistica di Rossi&Co, dove il design mette al centro l'uomo e lo segue nel suo quotidiano.

Behind creative Caos creativo there are people who design and create for other people, with the artistic direction of Rossi&Co, where design puts people at the centre and follows them in their daily lives.

## \_ NOBODY'S PERFECT

Vogliamo entrare nelle case, alberghi, ristoranti e negozi di tutti. E non è un problema se aprendo la porta qualcosa sarà fuori posto. L'importante è che ci sia il gusto e l'identità di chi si prende cura dei propri spazi.

We want to be part of everyone's home, hotel, restaurant and shop. And it's not a problem if things aren't in place when you open the door. The only important things that need to be in place are the taste and identity of the person taking care of the space.

# WE ARE HUMANS

Caos creativo è un brand di design 100% pensato e prodotto in Italia, che progetta e realizza decorazioni per pareti e arredo per case, alberghi, ristoranti e negozi. La nostra idea di arredo mette al centro le persone e il loro desiderio di abitare un luogo in cui ogni dettaglio ha la sua importanza. Prendiamo ispirazione da un'idea di design gioioso, conviviale, colorato, che apre le porte e si lascia contaminare da stili diversi, senza mai essere snob.

Caos creativo is a designer brand completely invented and produced in Italy that designs and makes wall decors and furniture for homes, hotels, restaurants and shops. Our idea of furniture focuses on people and on their desire to live in a place that gives the right importance to every detail. We get our inspiration from a joyful, convivial, colourful concept of design that is open to - and lets itself be contaminated by - different styles without ever becoming lofty.

## ALL-OVER

Molto più di una semplice libreria, All-Over è un arredo da comporre a piacere e da posizionare ovunque. Dalla zona giorno alla camera da letto, dalla cucina al bagno, dall'ingresso all'ufficio: qualunque sia la stanza e qualsiasi sia lo spazio, la libreria perfetta c'è.

Much more than a bookcase, All-Over is a shelving unit that can be put together as you prefer and positioned anywhere you please. In the living room or bedroom, in the kitchen or bathroom and in the entrance hall or the office: there's a perfect shelving unit for any room and any space.

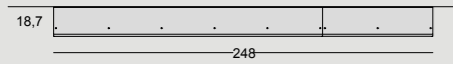

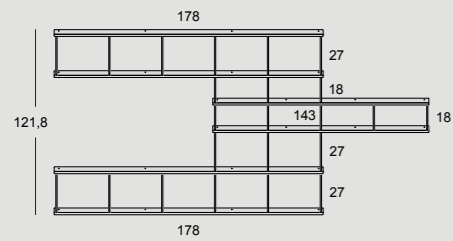

## LIVING SOLUTIONS

Vicino a delle poltrone per avere i libri a portata di mano, su una parete attrezzata per completarne la funzionalità, dietro a un divano per creare arredi originali che sembrano opere d'arte: la libreria All-Over non mette limiti agli spazi e alla creatività.

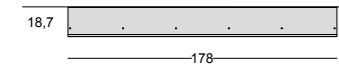

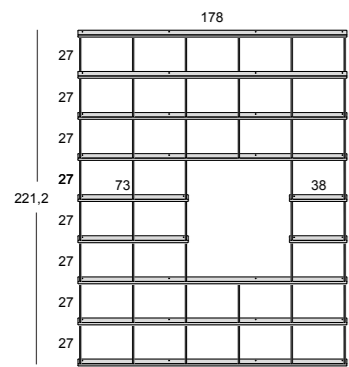

Next to an armchair to keep your books within reach, in a wall arrangement to complete its functions, behind a sofa to create original compositions that look like works of art: the All-Over shelving unit never limits your spaces or your creativity.

## ENTRANCE AND CORRIDOR

In ogni casa ci sono zone "mute" che hanno bisogno di esprimersi: la modularità di All-Over permette di dare voce a ingressi e pareti bianche con piccoli progetti dal grande stile. Sopra una madia o una panchetta, la libreria fa sempre la sua bella figura.

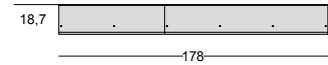

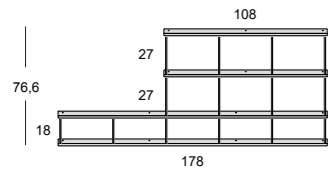

Every home has "voiceless" areas that have not yet expressed themselves: All-Over's modules give a voice to entrances and white walls in great style through small projects. The shelving unit always looks good above a sideboard or a low bench.

## KITCHEN SOLUTIONS

Non solo libri: All-Over è progettata anche per diventare una dispensa a vista, una credenza moderna oppure un'originale cantinetta in cucina. Il pratico accessorio porta calici si alterna ai ripiani e personalizza sia l'estetica, sia la funzionalità dell'arredo.

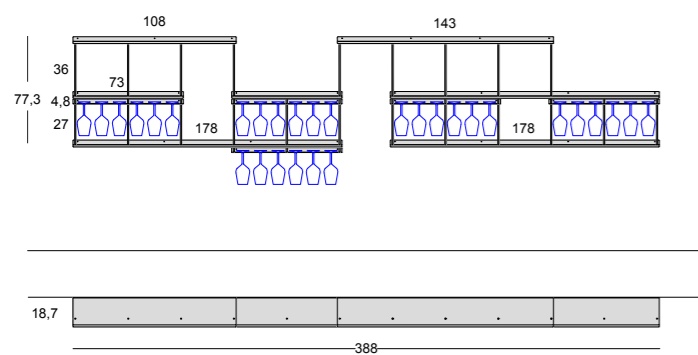

Not just books: All-Over is also designed to become a frontless cupboard, a modern larder or an original wine cabinet for the kitchen. The practical stemware rack alternates with shelves to customise both the look and the functions of the arrangement.

## BEDROOM

Una libreria in camera da letto è sempre un'ottima scelta d'arredo. Per grandi o piccoli spazi, All-Over sa adattarsi a ogni tipo di parete dove può assumere la forma regolare di una classica libreria oppure di un complemento dalle geometrie originali. Di giorno come di notte.

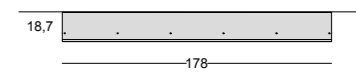

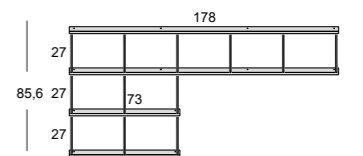

Installing a bookcase in the bedroom is always an excellent idea. Suitable for large or small spaces, All-Over can adapt to any type of wall where it can take on the regular shape of a traditional bookcase or the appearance of an accessory made up of original geometric shapes. By day and by night.

## BATHROOM

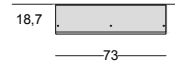

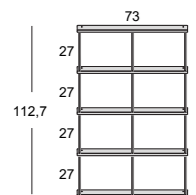

Chi l'ha detto che una libreria non può stare in bagno?! All-Over si prende lo spazio che merita anche qui! Pratica per riporre gli asciugamani e avere tutto ciò che serve a portata di mano, bella da vedere vicino a un lavabo o sopra la vasca da bagno.

Who on earth said that a bathroom is no place for a bookcase?! In this room too, All-Over takes up all the space it deserves! A practical place to put towels on and keep everything close at hand, it also adds a touch of beauty when installed next to a washbasin or above the bathtub.

## OFFICE

Verticale o orizzontale, in ufficio la libreria trova l'ambiente ideale per mostrarsi in tutta la sua funzionalità. Grazie alla struttura a tondini con ripiani sottili, All-Over è visivamente leggera anche nelle grandi dimensioni: mai ingombrante, sempre d'effetto.

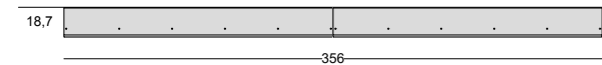

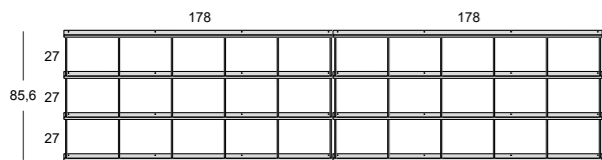

In a vertical or horizontal configuration, the office is the ideal place for the bookcase to show off all its practicality. Thanks to its tubular rod structure with slim shelves, All-Over has a visually light appearance, even when it is large: it's never overwhelming yet always stunning.
