Ali di Luce Pendant “Altalena”

Oplà Wall

Oplà Floor

Projects we love 2025

Ali di Luce Pendant “Altalena”

Ali di Luce ‘Altalena’ expands the range while maintaining the functionality, colours and directionality of the product, integrating them into a system with a single central ceiling rose.

Ali di Luce "Altalena" amplia la gamma mantenendo inalterate le funzionalità, i colori e la direzionabilità del prodotto, integrandoli in un sistema con unico rosone centrale.

Retail price €897.54 + VAT
3w 400lm 2700/3000K per source
White, Black, Terracotta, Green

Prezzo al Pubblico 897,54€ + IVA
3w 400lm 2700/3000K per sorgente
Bianco, Nero, Terracotta, Verde

Oplà Wall

Oplà Wall is the wall-mounted version of Oplà Pendant: it retains the same colour palette and uses a **GU 5.3 light source with adjustable light direction.**

Oplà Wall è la versione a parete di **Oplà Pendant**: mantiene la stessa palette cromatica e adotta una sorgente luminosa **GU 5.3**, con luce direzionabile.

Retail price €196.72 + VAT

About OliveLab

about OliveLab

OliveLab is a company born in 2017 in Turin, Italy with the aim of creating a new generation of lighting products.

We believe that lamps should be beautiful and qualitatively perfect but, most of all, they should be **tools to experience light and create emotions**. To do this, we combine the needs of human beings with innovative materials and technologies, producing something new that goes beyond the common imagination.

Giulia Liverani

Head of Design

*“I see light as a never ending series of
possibility to create poetic and functional
products ”*
